Ariete's **22V Digital Lithium cordless electric** broom will become your irreplaceable ally in house cleaning. The **digital motor** with double suction power and **triple filtration system** guarantees maximum efficiency in cleaning the house. In just a few steps, the cordless vacuum cleaner becomes a **practical portable handheld vacuum cleaner**, ideal for vacuuming dust from shelves, sofas or car interiors, using **the 3 different brushes supplied**, designed specifically for different cleaning purposes:

- **Motorized brush** with soft roller and LED lights to vacuum on the most delicate floors
- **Motorized brush** with bristles and LED lights to better illuminate and vacuum up residues and finer dust from floors, rugs and carpets
- **Pet Brush** to collect and hold pet hair
- **Effective textile accessory** for reviving and vacuuming sofas and armchairs
- **Spout** for crevices to reach the most hidden corners of the house
- **Support for hooking to the wall**, which allows you to conveniently store the cordless electric broom and always have it at hand to use it when you need it most.

The effectiveness of the **22V Digital Lithium electric broom** on all surfaces is perfected by the **3-level filtration system**, consisting of a **metal filter**, a **fabric filter** and a high efficiency **Hepa filter**, which allows you to vacuum dust and , at the same time, releasing cleaner air into the house for the well-being of the whole family.
